Highways England Supply Chain Airsweb Guidance - Step by Step - Accessing and exporting Action records

1. Access AirsWeb by selecting an appropriate link and 'Login'
2. To access an action and see a high level overview go to 'Action Tracking':

Via the tiles in the main screen

3. This will take you to a screen where you can view Actions based on several quick search criteria :

There is a variety of different criteria that you can utilise to view actions. Just click the relevant option to select.

System Action ID : Search

If you have the individual Action ID then you can key it in here and click 'search'

4. You should now have a table displayed under 'Action Tracking'

To view further details click on the Action ID which will take you into the Action

If you wish to export this table into excel then click this icon

Please note: the blue cross is used to censor sensitive information and/or unique identifying numbers – this will not be present on your system.

5. To complete a full search on all actions that you have access to:

Select **'Action Tracking'** from the left hand side navigation menu
Then select  from the bar at the top of the main screen

6. Under Hierarchy select **'Site/Project'** from the Dropdown

7. This will take you into the search screen where you have the option to enter as much criteria as you desire, taking into account though that this will restrict your search (i.e. if you leave it blank then you will conduct a blanket search of everything that you have access to).
