| Description of Blue Star Item | Developed temporary signage to overcome the issue of the back of vehicles having non-metallic boots and bumpers |
| Benefits of Blue Star Item | This allows staff to use their hire car or their company on the network with the correct Chapter 8 without placing adhesive chevrons to the rear of the vehicles which can cause excessive costs for repairs from the hire and leasing companies upon return. |
| Details and Cost of any Specific Product | Each unit is costing approx. £200 per car |
