2024 – Vision of Success

SUPPLY CHAIN SAFETY LEADERSHIP GROUP

- **Significant Risk Working Group Discussion Held -** How to prepare a Significant Risk Strategy
- **Candidates Reviewed and appointed –** The approach was to appraise whether the group would be from representative enough cross section to be able to deliver the brief.
- **Initial Meeting Set up -** Initial meeting held to get to know each other and outline the expectations
- **Working groups –** Meet monthly with weekly drop-in sessions
- **Immediate Tasks -** Deliverable Schedule, Terms of Reference, Working group Template – in first 2 months.
- **Medium Term -** Common Intent Document draft and Bow Tie approach implemented – in first 6 months

Update to 06/06 /2024

Progress to date

- Monthly meetings have been established – 4 No. Held – notes issued
- Priority of projects with Project Managers assigned
