

The purpose of this document is to guide Highways England's Supply Chain colleagues through the process of, uploading an action against an incident record on Airsweb.

Please note: It is important that the data entered is factual, accurate, and relevant. These reports may be disclosed as part of regulatory monitoring, legal or coronial proceedings. Furthermore, the detail of these reports may inform Safety Alerts, and/or be escalated to the Board and members of senior management.

Data must be reported in accordance with Highways England instruction to Supply Chain via GG 128 within the DMRB:

<https://www.standardsforhighways.co.uk/dmrB/search?q=GG%20128&pageNumber=1>

Please ensure the information recorded is in accordance with GDPR. Please see the privacy statement for reference purposes.

If you are having any technical issues with completing this information on Airsweb then please contact the Airsweb Supply Chain inbox via: Airswebsupplychain@highwaysengland.co.uk

Highways England Supply Chain Guidance - Step by Step – Recording an action against an Event

1. Access AirsWeb by selecting an appropriate link and 'Login'
2. To input an action against an event you must access the applicable event record. *If you are unsure on how to do this please refer to the accessing an event record guidance.*
3. In the first Event entry screen select 'Add Action'. *Please note: the blue cross is used to censor sensitive information and/or unique identifying numbers – this will not be present on your system.*

System Event ID 

Please ensure all fields denoted by * are completed.

Site/Project *	 Centre - North East
Event Type *	Near Miss
Date/Time of Event *	
Date/Time Reported *	2018-09-06 09:47 <small>If time unknown, please leave blank.</small>
