Highways England Supply Chain Airswab Guidance - Step by Step - Accessing and editing hours worked

1. Access AirsWeb by selecting an appropriate link and '**Login**'
2. Select '**Monthly Statistics**' via the tiles on the homepage

3. To access your hours please select '**Search Monthly Submissions**'

4. Under Hierarchy select **Site/Project** from the Dropdown
5. You are now entering a search on Airswab so please note that the more search criteria you enter into this screen the more you are restricting your search (ie if you leave it blank then you will conduct a blanket search of everything that you have access to). Once you have selected all of the criteria that you wish to then click **submit**.
6. You will now see a summary table of all of the hour submissions that you have access to. If you wish to export this information or print it then select the **Export icon** in the last column title bar (see below).

7. To go into the individual entries select the **ID** in the first column that is displayed in blue (please note all blue text in Airswab is either a command or further information)
8. To update the information then insert the amended figures and then click **update**.
