Description of Blue Star Item	<p>CKJV have developed a Health, Safety & Wellbeing Strategy for the scheme, which is being briefed to the workforce. This aims to develop a culture where health, safety and wellbeing are everyone's first thought. The strategy aligns with the Highways England 5 Year H&S Plan, and pulls together Carillion and Kier's Health, Safety and Environmental strategy and vision. It includes a section on Leadership and Culture. The Senior Management team has a schedule of 2 weekly safety tours, including the Client and Designer, which have already commenced. The scheme have a lot of staff from the M6 J10a-13 scheme, and are therefore able to take advantage of the lessons learnt on that scheme. There was a Safety Stand Down in January following the Christmas break, and a 2 day Team Building exercise has also been held.</p>
Benefits of Blue Star Item	<p>The strategy provides a high level document that details objectives with an overview of the requirements and expectations from the M6-16-19 contract. The objectives align with Highways England's 5 year Health and Safety plan and from the document other procedures/controls fall in to place namely;</p> <ul style="list-style-type: none"> • Leadership and culture • People and Competence • Risk management • Performance management • Arrangements for Engagement and Communication • Occupational Health • Arrangements for doing the basics at the workface
