

Top tips for winter safety

Be safe on the roads

Remember to take extra care when you are driving. Drive at the right speed for the conditions and allow extra time for your journey. Make sure you check your vehicle before you set off and keep a winter emergency kit in your boot.

Winter emergency kit

- ice scraper and de-icer
- torch
- blanket and warm clothing
- sunglasses
- food and water
- a shovel
- first aid kit
- hi-viz jacket
- mobile phone charger
